## UK Index-Linked Gilt Tracker Fund

### The Aim of the Fund

The Fund invests in index-linked bonds issued by the UK Government and aims to achieve a return that is consistent with the return of the UK index-linked Government bond market. The performance of the UK index-linked Government bond market can be measured by the FTSE UK Gilts Index-Linked Over 5 Years Index and the UK Index-Linked Gilt Tracker Fund specifically aims to achieve returns that are in line with this index.

**Investment returns over the last 5 years:** the Fund has only been available through the Scheme since April 2006 so returns shown over 3 and 5 years are of the underlying index.
